Baxter

made in Italy

A tribute to the bourgeoisie - the collection by Matteo Thun and Antonio Rodriguez for Baxter.

Elegant, simple and sophisticated the Living collection includes sofas, bookshelves, coffee tables and consoles of fine wood and leather - durable materials, high quality finish in modern colors.

“Interiors all over the world” more than a book

Since the 1950s Minotti has been ranked as a leading brand in the design industry. Thanks to its unique style and innovative product development. With its “Interiors all over the world” book, Minotti aims to offer a different perspective on its own vast collection, through an exclusive gallery of images that depict various products in public and private settings around the world. Styles and home environments that are quite different from one another demonstrate just how comfortable each of these elements can be in any setting. The incomparable Lifestyle of the company has made a significant contribution to the creation of highly qualified projects for public spaces, such as:

- Lounges, Waiting Rooms, Corporate Offices, Hotels, Restaurants, Boats and Boutiques.

BOSSINI
High Quality Shower System

Floor Shower column

Ok! Floor Column

A newly conceived floor column with hot and cold water; the ideal element to create a wellness area with style and elegance in your bathroom. You can choose OK! showerheads having diameters of 250 or 200 mm.
