Erba Sofa Viaggio

MDF Italia collection

Inmotion, is an original, versatile, customizable and cross furnishing system that contributes to characterize our home landscape, as it can interpret the many needs of contemporary living at best.

The elements can be highly customized: the open compartments as well as the rotary units may feature different materials and/or colors and can be newly varied by the customer even after their purchase.

Bossini spa Agua Life-Shower

Super flat design handshower with an extraordinarily large shower head, is equipped with an adjustment control device of the flow rate, which allows the user to select a vigorous jet spray or a soft, delicate jet and reduces water consumption up to 50%, while ensuring maximum comfort. Suitable for residential use.
