

All White Now...

The Bossini shower collection has become even greater thanks to the addition of our trendy 'All white' lines.

This stunning range was conceived by combining water and well-being with cutting edge design and luxurious finishes.

The DREAM-Flat Light is the newest ultra flat line of false ceiling mounted shower heads with sparkling LED lights shining through the wide drenching tropical rain spray.

Add in a high technology Mixa/3 Fitair and four Cubic-Flat body jets to complete a truly pleasurable spa experience.
