A woman stands in a modern rain shower, her back to the viewer. She is surrounded by lush, tropical greenery, including large banana leaves and monstera plants. The shower head is positioned above her, and water flows down in a fine mist. The background is dark, making the greenery and the woman stand out.

Un getto a pioggia ampio e avvolgente, per una sferzata di energia mattutina, o per un momento di rilassante abbandono che liberi dallo stress e dalla stanchezza di una giornata impegnativa. I soffioni da controsoffitto Frame sono stati pensati per esaltare le qualità sensoriali ed emozionali che l'acqua è in grado di regalarci. Frame con la sua straordinaria dimensione "King Size", consente di lasciarsi avvolgere da un'autentica cascata d'acqua, abbandonandosi ad un abbraccio naturale che vivifica il corpo e la mente, sciogliendo ogni tensione. L'acqua accoppiata a luce e colore può avere importanti effetti benefici sul benessere. In linea generale, i colori caldi come il rosso, l'arancio, il giallo, sono stimolanti ed energetici; i colori freddi come il blu, il viola, il verde, hanno invece proprietà distensive e rilassanti.
