

DREAM Flat Light - Ceiling shower heads

DREAM-Flat Light is the ultra flat line of false ceiling mounted shower heads with LED lights, delivering a wide drenching tropical rain through several "Easy-Clean" silicon nozzles. Its is supplied with a low voltage transformer and flexible water connection. All Dream Bossini shower heads are equipped with a **water drainage device** incorporated at the spray head centre, which reduces water build-up to a minimum (Bossini patented system). Products meet CE requirements.

Water is the basic element of life, and a nice shower helps you to enjoy it to the full.

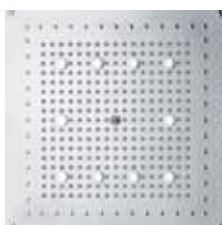

Technical data:

- **Shower head:** Stainless steel shower head with LED lights , including low voltage transformer and flexible water connection. Showerhead equipped with a water-drainage device patented by Bossini, which allows you to immediately discharge the residual water from the distribution chamber when you close the mixer, thereby minimizing water stagnation inside the showerhead. It also enables the mixing of air and water to give you a bracing water jet.
- **LED Light colours:** suitable in white or in colours (red, green, blue and orange).
- **Function:** "Easy Clean" diffuser
- **Installation:** for false ceiling.
- **Manufacturer:** BOSSINI spa
- **Finishing:** chrome 030 or White 013
