

White Showers collection - All white trend ...

The new collection of showers Bossini becomes wealthy of further proposals fashion all white, design conceptions that draws to the sphere of ours to feel to give life to an idea of "bath living room." Bright colour for excellence, the white of the showers is combined with the white of the walls for a style where the feeling of freshness and great breath is privileged. Synonymous of order, cleaning and rigor, the white colour is a classical that designer, designers and stylists they propose as choice of elegance and sobriety.
