

## DREAM Flat Light RGB - CromoTherapy

**DREAM-Flat Light RGB** is the ultra flat line of false ceiling mounted shower heads with RGB LED Lights, that delivers an invigorating cascade, creating a dream world. It is supplied with a low voltage transformer, control keyboard for Cromotherapy and flexible water connection. The control keyboard for cromotherapy is water-proof, so the box may be positioned either inside or outside your shower box. All Dream shower heads are equipped with a **water-drainage device** incorporated at the spray head centre, which reduces water build-up to a minimum (Bossini patented system). Products meet CE requirements.

The beneficial effects of 7 colours on the body and mind: colours have always been a part of our world. They are a vital force and source of energy. Chromotherapy stimulates the body and the mind, helping to restore their natural balance.

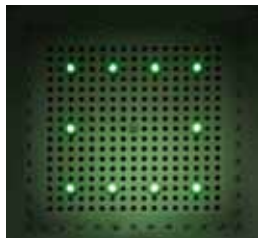

### Technical data:

- **Shower head:** Stainless steel shower head with RGB LED lights Chromotherapy, including low voltage transformer, control keyboard for Cromotherapy and flexible water connection.
- All Bossini Dream ceiling-mounted showerheads have a built-in air suction duct in the water distribution chamber. This device, patented by Bossini, allows you to immediately discharge the residual water from the distribution chamber when you close the mixer, thereby minimizing water stagnation inside the showerhead. It also enables the mixing of air and water to give you a bracing water jet.
- **LED Light :** suitable with RGB LED lights.
- **Function:** "Easy Clean" diffuser
- **Finishing:** chrome 030 or White 013
- **Manufacturer:** BOSSINI SPA Italy, conform to the CE regulation.
