MATERIALI / materials																															
Brass																															
CARATTERISTICHE IDRAULICHE / hydraulic features																															
	pressione pressure	portata flow rate	temperatura temperature	solo per miscelatori termostatici only for thermostatic mixers																											
min	1 bar	L/min	--	Blocco di sicurezza safety lock	/																										
max	5 bar	L/min	<70°C	Temperatura acqua fredda cold water temperature	/																										
consigliata recommended	2-3 bar	L/min	--	Temperatura acqua calda hot water temperature	/
